Eligibility requirements under the Town's policy

- a) The application must be made by the owner of the property using the proper form and must include:
 - The original invoice for the treatment
 - Proof that the applicant is the owner of the land on which the treated ash tree is located.
- b) The ash tree must already have been treated with TreeAzin® and must not:
 - Pose a significant danger to human safety
 - Have a trunk diameter of less than 20 cm (each trunk, in the case of a multi-trunk tree), measured 1.4 m up from the ground
 - Have lost more than 30% of its canopy
 - Have any significant lesions that are likely to reduce its lifespan
 - Be weakened by a structural defect
 - Be irreversibly damaged by a disease or pest
 - Be located less than 3 m from the natural high-water mark of a watercourse in accordance with the Pesticides Management Code (CQLR, chapter P-9.3, r. 1).
- c) The product used to treat the tree must be TreeAzin®.
- d) The tree care company that administered the treatment must:
 - Be registered with the Town of Rosemère
 - Be accredited by the manufacturer of the product used
 - Hold a permit or certificate issued under the Pesticides Act (chapter P-9.3);
 - Have carried out the work between June 15 and August 31, 2019.

The Town reserves the right to require proof of the number of ash trees on the applicant's property or to verify the number on site. It also reserves the right to inspect the premises to ensure the work has been done as described.
