

NOMINATION FORM

Come and Play in the Street! Pilot Project – Nominate Your Street!

Before proceeding, please make sure your street is eligible to participate in the *Come and Play in the Street!* pilot project. Eligible streets must meet the following criteria and not be indicated in red on the map of eligible streets.

Selection criteria

- Must be a local street (no collector or arterial roads or boulevards).
- Must provide clear visibility for motorists.
- Traffic density must be less than 500 vehicles a day (commercially zoned areas automatically excluded) – an official count will be performed by Public Works to verify.
- Must be well lit in the evening by a street light or other means.
- No roundabouts, unless they are connected to a street that meets the prescribed selection criteria.
- Must not be located alongside a park or a school.
- Must not be located on an EXO bus route.

If the street has multiple intersections, eligibility may be applied to certain segments.

Five different homeowners living on the street must support your nomination.
