### 2024 Town of Rosemère Calendar: **To Be Made Available at Several Municipal Locations**

---

**Rosemère, November 15, 2023** — In line with the principles of sustainable development and in an effort to reduce paper waste, the Town of Rosemère’s 2024 wildlife-themed municipal calendar will be distributed on a pickup basis through several locations rather than delivered door to door. Copies of the calendar will be available for free starting December 6 through the following points of service:

- Town Hall reception window (100 Charbonneau Street)
- H.J. Hemens Public Library circulation desk (339 Grande-Côte Road)
- Memorial Community Centre supervisor’s office (202 Grande-Côte Road).

An electronic version of the calendar will also be posted on the Town’s website at [ville.rosemere.qc.ca](http://ville.rosemere.qc.ca) (under Town/Discover Rosemère) to view and download in PDF format.

*“Rosemère residents and business owners who would like a copy of the municipal calendar to keep track of their appointments or to hang in a place of honour will be able to pick one up from one of these locations,”* said Mayor Eric Westram. *“We are proud to be embracing this new approach, which is directly in keeping with our environmental policy and will help us cut down on paper waste.”*

Note that anyone with mobility issues who wishes to receive a copy of the calendar but cannot easily make their way to one of the above points of service may write to [communications@ville.rosemere.qc.ca](mailto:communications@ville.rosemere.qc.ca) and ask for one to be mailed to them.
